

# Saquib Ahtkar

TY Computer Engineering Student

---

I wish to pursue a research-oriented career after graduating. My primary interests include Data Science and Mathematics.

I also like to explore about other paradigms to acquire excellence.

## Education

---

2018 - 2022

**MET Bhujbal Knowledge City Institute of Engineering, Nashik**

B.E. in Computer Engineering

- Currently in Third Year of Computer Engineering

**9.41 CGPA (Average of 2 years)**

2018

**A.T.T. Jr. College, Malegaon**

**80 Percentage**

2016

**A.T.T. High School, Malegaon**

**84 Percentage**

## Certifications

---

**Accelerated Computer Science Fundamentals  
Specialization of 3 courses**

**(Object-Oriented Data Structures in C++, Ordered Data Structures, Unordered Data Structures)**

University of Illinois at Urbana-Champaign

**Problem Solving (Basic)**

Hackerrank

**Python (Basic)**

Hackerrank

**Crash Course on Python**

Google

**What is Data Science?**

IBM

## Skills

---

- C++
- Java
- Android
- Python
- GitHub and other VCS
- Dart (Beginner)
- Haskell (Beginner)
- Rust (Beginner)
- Mathematics
- Problem Solving
